### Chapter 1: Tourism, Economic Growth and Sustainable Development

1.1 Introduction 1
1.2 China and the Global Development of Tourism 4
1.3 Tourism Development as a Response to Economic Growth 6
1.4 Tourism Development as a Contributor to Economic Growth 8
1.5 Expansion of Tourism and the Achievement of Sustainable Development 11
1.6 The Nature and Scope of this Study 12

### Chapter 2: Tourism Development and Changing Policies in China: An Overview

2.1 Introduction 15
2.2 Policy Changes and the Administration of Tourism in China 16
   2.2.1 Tourism before 1978 in China 16
   2.2.2 Encouragement of international tourism in China since 1978 16
   2.2.3 The administration of tourism in China 18

2.8 Concluding Comments 47

Chapter 3: Regional Economic Disparity and Tourism Development: Theories and the Chinese Case 49

3.1 Introduction 49
3.2 Theories of Regional Development and Inequality: An Overview 49
   3.2.1 Inverted-U paradigm and balanced development 52
   3.2.2 Unbalanced economic development across regions 54
3.3 Regional Income Inequality in China: History and Current Situation 56
   3.3.1 Income inequality between 1949 and 1978 in China 57
   3.3.2 Income inequality since 1978 58
3.4 Inequality Between Coastal and Inland Areas 61
   3.4.1 Growing income disparity between the coastal and inland areas 61
   3.4.2 Principal reasons for the expanding disparity between coastal and inland China 64
3.5 Does Regional Inequality Need to be Considered for Policy Purposes? 68
3.6 Concluding Remarks 74

Chapter 4: Spatial Distribution of Tourism in China: Its Nature, Determinants and Consequences 76
4.1 Introduction 76
4.2 Distribution of Demand-Side Factors in China’s International Tourism 77
4.3 Distribution of Supply-Side Tourism Factors in China 80
4.4 Lorenz Curve and Gini Coefficient Analysis 83
  4.4.1 More sophisticated methods 83
  4.4.2 Lorenz curve analysis 84
  4.4.3 Gini coefficient 88
4.5 Regression Analysis of Factors Affecting the Spatial Distribution of Tourism 92
4.6 Further Discussion of Influences on the Regional Distribution of International Tourism in China 96
  4.6.1 Entry ports factor and tourist attractions 98
  4.6.2 Connection with overseas Chinese 99
  4.6.3 Foreign direct investment in the coastal areas and business travel 100
4.7 Discussion on State-Owned Hotels, Hotel Operations and Regional Distribution 101
4.8 Concluding Comments 105

Chapter 5: Trends in the Regional Distribution of Tourism in China and their Implications 108
5.1 Introduction 108
5.2 Overall Changes in Spatial Distribution of Tourism in China 109
  5.2.1 Trends in concentration of international tourism on the coastal area of China 109
## Contents

5.2.2 *Trends in Gini coefficients for the regional distribution of tourism*  
5.3 Changes in Spatial Distribution of Tourism within China’s Coastal Area  
5.4 Changes in Spatial Distribution of Tourism Indicators within China’s Inland Area  
5.5 Coefficient of Variation  
5.6 Regional Convergence in Tourism Versus Divergence in the General Economy  
5.6.1 *Regional divergence in the Chinese economy*  
5.6.2 *Convergence of tourism in China as indicated by Gini coefficients*  
5.6.3 *Convergence of tourism in China indicated by the absolute values of some major tourist indicators*  
5.7 Discussion About Regional Convergence in Chinese Tourism  
5.7.1 *The opening up of China*  
5.7.2 *Improvement of tourism facilities in the interior*  
5.7.3 *Hotel operations and the state-owned hotels*  
5.7.4 *Growth in ecotourism*  
5.7.5 *International tourist arrivals: Source and their spatial dispersion*  
5.8 The Dispersal of Domestic Tourism

5.9 Regional Economic Impact of Tourism Does Not Depend Solely on Regional Relativities 134
5.10 Parting Detailed Snapshots by Regions of Proportionate Growth of Visits by China’s Inbound Tourists 136
5.11 Concluding Remarks 140

Chapter 6: Ecotourism: Its Nature, Sustainability, and Other Issues 141

6.1 Introduction 141
6.2 The Boundary of Ecotourism 142
  6.2.1 Ecology and ecological systems 142
  6.2.2 Definitions of ecotourism 144
6.3 Principal Participants in Ecotourism 148
  6.3.1 Ecotourism industry — the business sector 148
  6.3.2 Ecotourists 151
  6.3.3 Government sector 154
  6.3.4 Non-profit groups 155
6.4 Can Ecotourism Grow Sustainably? 156
  6.4.1 Global environment deterioration 157
  6.4.2 Resource encroachment from other industries 157
  6.4.3 Inappropriate tourism development 159
  6.4.4 Economic expectations for ecotourism 160
  6.4.5 Ecotourism and local communities 162
  6.4.6 Criticisms of ecotourism development 165
6.5 Market and Government Failure in Ecotourism 166
  6.5.1 Market failure in ecotourism 166
Contents

6.5.2 Government failure in ecotourism 168
6.6 Concluding Remarks 170

Chapter 7: Evaluating Resources for Ecotourism, Particularly in China 173
7.1 Introduction 173
7.2 Welfare Economics and Ecotourism: A Review 174
  7.2.1 Environment and resource: Externality and market failure 174
  7.2.2 Market and public solutions to externalities 176
7.3 Evaluating Ecotourism Resources: Existing Methods and Limitations 177
  7.3.1 Argument about values 177
  7.3.2 Techniques for measuring both marketable and non-marketable values 183
  7.3.3 Travel cost method 187
  7.3.4 Contingent valuation method (CVM) 192
  7.3.5 A comparison of the travel cost and contingent valuation methods (CVM) 195
7.4 Application of Valuation Techniques in LDCs and Ecotourism 196
  7.4.1 Valuation of resources in LDCs 196
  7.4.2 Valuation and resource use related to ecotourism 198
  7.4.3 Limitations of valuation methods in their application, especially in China 201

7.5 Conflict Between Ecotourism and the Maximisation of Total Economic Value and Nature Conservation 203

7.6 Conclusion 206

## Chapter 8: Tourism Development in Yunnan: A Case Study

8.1 Introduction 209

8.2 Tourism, Especially Ecotourism, in Xishuangbanna
   8.2.1 General introduction to Xishuangbanna 210
   8.2.2 The Dai nationality and conservation 211
   8.2.3 Tourism as the major industry in Xishuangbanna 212
   8.2.4 The state nature reserve of Xishuangbanna and ecotourism 218

8.3 Tourism in Yunnan Province 229
   8.3.1 Major tourist attractions of Yunnan 229
   8.3.2 Tourism development in Yunnan 230
   8.3.3 Tourism supply in Yunnan 231
   8.3.4 Tourism demand in Yunnan 233
   8.3.5 Domestic tourism in Yunnan 234
   8.3.6 Major problems in current tourism development in Yunnan 234

8.4 Dali and Lijiang: Further Tourism Centres in Yunnan
   8.4.1 Dali — home of the Bais 235
   8.4.2 Naxi culture and matriarchal society in Lijiang 237

8.5 Analysis of Tourism in Yunnan
   8.5.1 Spatial distribution of tourism in Yunnan 239
